

2020 INCENTIVE PROGRAM FOR SMARTBOX® EQUIPMENT PURCHASED FOR USE WITH PRECISION PLANTING®

Choose the corn hybrids that best fit your needs, conventional or traits.

Earn 1/3 of total price paid for SmartBox per year with qualified product purchases:
Greatly reduce the cost of your new SmartBox system with products from AMVAC®.

Here's How It Works:

Before April 30, 2020, purchase new SmartBox equipment from Precision Planting. Rebates from AMVAC are based on published price of an AMVAC SmartBox system, NOT the total purchase price paid for Precision Planting SmartBox equipment.

Include a copy of your Precision Planting SmartBox equipment invoice when submitting AMVAC product invoices to request product incentive payments. **The SmartBox purchase must be made between July 1, 2019 and April 30, 2020.**

- Rebates to offset the purchase expense of new vDrive meters and SmartBox equipment can be earned over the course of 3 years in conjunction with qualifying purchases of AMVAC products. Maximum annual rebate earnings cannot exceed 33.3% of the value of the AMVAC-published 2020 planting season standard price of an equal row-size SmartBox system.

Qualified Product Purchases:

Products for use in the 2020 planting season must be purchased between September 1, 2019 and June 30, 2020. Product invoices must be submitted to AMVAC by July 31, 2020.

Maximum annual product rebate for purchase of SmartBox equipment from Precision Planting cannot exceed the maximum rebate limit allowed for purchases of equal row-unit size SmartBox system from AMVAC.
