Discounted pre-shipment payment prices are available only to those customers who order equipment and pay the entire purchase price before equipment is shipped. Standard pricing applies for customers who opt to pay in three installments.

- SmartBox® System prices include shipping, GPS speed sensor, in-furrow tubes and a SmartBox System Secondary Transfer Container made using a previously used transfer box.
- Certain brackets must be ordered from planter manufacturers.

Ordering Procedure:

- Order your SmartBox Systems by calling 1-888-SMARTBOX (1-888-762-7826) and select option #1 to reach AMVAC® SmartBox Orders, or email SmartBoxOrders@AMVAC.com.
- Your authorized chemical retailer, authorized equipment dealer or a local AMVAC sales representative can also provide information and assistance.
- SmartBox System pricing includes shipping to locations in US (excluding AK and HI).
- All orders are subject to sales tax unless a sales tax exemption form is filled out and submitted with payment.
- Processing of orders is subject to the availability of SmartBox Systems and may be changed, modified or cancelled at any time.
- Systems will be shipped after the order has been processed and the payment has been received.

Terms:

- Payment must be received prior to shipment.
- Please make checks payable to AMVAC Chemical Corporation.
- Payment must be received within 30 days of placing the order or the order is subject to cancellation.
- However, if you have ordered but not yet paid for a product, we guarantee the price for one month from when the order was placed.

SmartBox is a patented closed application and handling system and must be used only with authorized granular soil insecticides packaged from the factory in SmartBox Transfer Containers. Products available in SmartBox transfer containers are AZTEC® 4.67G, AZTEC® HC, COUNTER® 20G, Force® 10G HL, SmartChoice™ HC and Thimet® 20G Insecticides.
