

2024 vDrive® INSECTICIDE INCENTIVE – EARN UP TO \$600/ROW

Purchase vDrive® insecticide equipment for the 2024 season, and use Aztec® 4.67 Granular Insecticide Bags to help offset the cost of your new vDrive system.

Here's How It Works:

- Purchase new vDrive insecticide equipment from a Precision Planting® dealer before April 30, 2024.
- Purchase qualifying AMVAC® Aztec 4.67G Bags from an authorized AMVAC retailer between September 1, 2023, to June 30, 2024.
- Register for the incentive and submit qualifying AMVAC product invoices by July 31, 2024 at amvac.com/campaigns/equipment-incentive-program.
- Incentives of up to \$600/row can be earned over a consecutive 3-year period with \$200/row being the maximum incentive that can be earned in any 1 year of the consecutive 3-year period.
- Growers must enroll and qualify in the first planting season with the vDrive equipment purchase. Enrollment and qualification consists of proof of purchase of the vDrive system and Aztec 4.67G bag purchases.
