

2021 INCENTIVE PROGRAM FOR SMARTBOX® EQUIPMENT PURCHASED FOR USE WITH CASE IH®

Choose the corn hybrids that best fit your needs, conventional or traits.

Earn up to 1/3 of total price paid for SmartBox® per year with qualified product purchases. Reduce the cost of your new SmartBox System with product purchases from AMVAC®.

Here's How it Works:

Purchase new SmartBox equipment from a Case IH® dealer before April 30, 2021. Rebates from AMVAC are based on standard published pricing of an AMVAC SmartBox System, NOT the total purchase price paid for Case IH equipment.

Include a copy of your Case IH SmartBox equipment invoice when submitting AMVAC product invoices to request product incentive payments.

- Rebates to offset the purchase expense of a new SmartBox System can be earned over the course of 3 years in conjunction with purchases of qualifying AMVAC products. Maximum annual rebate earnings cannot exceed 33.3% of the value of the AMVAC-published 2021 planting season standard price of an equal row-size SmartBox System. Visit AMVACSmartBox.com for current pricing.

Qualified Product Purchases:

Products for use in the 2021 planting season must be purchased between September 1, 2020, and June 30, 2021. Product invoices must be submitted to AMVAC by July 31, 2021.

Maximum annual product rebate associated with purchase of SmartBox equipment from Case IH cannot exceed maximum rebate limit allowed for purchases of equal row-unit size SmartBox System from AMVAC.
