

DIBROM® CONCENTRATE | Active Ingredient: Naled 87.4%

The Leading Mosquito Adulticide for Aerial Applications

DIBROM® CONCENTRATE is ideally suited for public health or mosquito abatement programs. It is extremely effective at controlling mosquitoes (even populations that have developed resistance to pyrethroids), flies and other labeled pests, with minimal environmental persistence.

FEATURING

- ✓ IRAC Group 1-B Insecticide
- ✓ Mode of action: Naled, an organophosphate insecticide, works by inhibiting acetylcholinesterase and ultimately paralyzing insect nervous systems
- ✓ Comes in returnable 30-gallon drums with Micromatic fittings for added handler safety
