

FOLEX

At the Core of Fast, Efficient Cotton Defoliation Programs

FLEXIBLE • RELIABLE • ECONOMICAL

Proven and consistent in a wide range of environmental conditions, Folex[®] 6 EC

is easy to use, safe on cotton and gives you flexibility in your defoliation program. Tried and true Folex works for you – and you can take that to the gin. See your Ag Retailer or call your

local AMVAC Sales Representative to clean up with Folex 6 EC.
