

**3X the active ingredient –**

*Fewer SmartBox<sup>®</sup> containers*

**3X the acres with every SmartBox –**

*Fewer refills*

**3X the efficiency –**

*Fewer number of pallets to store*

**3X the convenience –**

*Fewer boxes to load, more time to plant*

## New Convenience – Same Control & Flexibility

**Force<sup>®</sup> 10G HL Insecticide.** With a reliable pyrethroid mode of action for proven control of corn rootworm and seed-attacking pests, the high-load formulation offers convenience like never before. Force 10G HL fits across a wide range of geographies. You get the performance you expect with the convenience of fewer containers to handle and greater planting efficiency. SmartBox closed system protects the applicator, and Force 10G HL protects corn roots for healthier, stronger stands and better returns from the fields you plant.

Plant more acres with fewer refills with  
Force 10G HL (high load) granules

12-row planter — 600 lb = 428 acres treated

16-row planter — 800 lb = 571 acres treated

24-row planter — 1200 lb = 857 acres treated

# MAXIMIZE YIELD POTENTIAL AND STAND PROTECTION

**CROPS:** Field Corn, Seed Corn, Sweet Corn, Popcorn
