# 2025 THIMET® 20G DISTRIBUTOR EARLY PURCHASE PROGRAM

## FL AND LA SUGARCANE ONLY

June 15, 2025 - February 15, 2026

Implementation Date: July 9, 2025

Program Zone: FL and LA Sugarcane ONLY

Reason to Issue: Replace 2024 Distributor Program

**Program Period:** June 15, 2025 through February 15, 2026

### **Qualifying Products:**

Item #	Product Name
11921	Thimet® 20G Lock'N Load®
12018	Thimet® 20G SmartBox®

#### **Program Objective:**

AMVAC® intends to reward qualifying Distributor Partners with a Marketing/Stewardship allowance of 15% for use in sugarcane in Florida and Louisiana if the following is met:

- Participate in a business planning discussion with your assigned AMVAC Account Manager to determine expected purchase needs for the season
- Early Purchase agreed-to-goal amount orders are placed by September 6, 2025 and shipped at AMVAC's discretion
- The 15% distributor program will be based on the distributor list price in effect at the time the order was placed
- Purchases under this program are eligible for the 2025 Container Return Program
- AMVAC intends to make distributor payments in May, 2026.

#### **Orders:**

Contact AMVAC Customer Service at 888-462-6822 or CustServ@amvac.com

#### Terms:

Net due December 15, 2025 for orders placed on or by November 15, 2025 Net due 30 days on orders placed after November 16, 2025

#### **Program Rules and Conditions:**

AMVAC reserves the right to audit and/or change any portion of this program at any time. Only direct purchases from AMVAC qualify for program payments. Distributors are required to timely report EDI sales for all AMVAC products regardless of the products eligibility and participation in program eligible rewards. The distributor's account must be current to qualify for program payment. Please refer to Standard Conditions of Sales for additional details.

Program payments will be made in May of 2026 unless otherwise stated. The decision of payment level and amount is at the sole discretion of AMVAC and is considered final.
